About One Touch Trade

One Touch Trade presents an innovative Forex trading platform designed to streamline and optimize your business's entire Forex trading process. The platform is tailored to facilitate end-to-end workflows, enabling you to make informed decisions in real-time. With a comprehensive suite of Forex trading opportunities, exclusively available on One Touch Trade, executing trades seamlessly becomes effortless. The user can experience exceptional Return on Investment (ROI) while also benefiting from an enticing referral program.

Mission:

Empower businesses with seamless Forex trading solutions, enabling real-time decision-making and exceptional ROI through One Touch Trade's platform.

Vision:

To deliver an unmatched and unparalleled trading experience, fostering trust and reliability among our users at One Touch Trade.

**OUR
MISSION**

Forex Trading Plan

Packages

One Touch Trade offers two packages for different investment levels:

1st Package (\$500 - \$999)

The users are entitled to receive Return on Investment (ROI) of 8% monthly.

2nd Package (\$1000 and above)

The users are entitled to receive Return on Investment (ROI) of 10% monthly.

Working Level Plan and Income

The "Working Level Plan" in One Touch Trade consists of 15 levels. Each level offers a unique referral earning percentage, and to progress through these levels, individuals need to achieve specific direct referral targets. Here is the list of one-time referral percentage income with the number of direct required in the next slide--

Referrals Required

- When a user has 2 direct referrals, they unlock access to **3 levels**.
- With a minimum of 3 direct referrals, the user gains access to **5 levels**.
- Having at least 4 direct referrals, the user unlocks **7 levels**.
- If a user manages to have at least 5 direct referrals, they gain access to **all 15 levels**.

Level Income

Levels	Passive ROI Percentage	Levels	Passive ROI Percentage
1	10 %	8	2 %
2	7 %	9	1 %
3	5 %	10	1 %
4	3 %	11	1 %
5	2 %	12	1 %
6	2 %	13	1 %
7	2 %	14	1 %
		15	1 %

Special Condition:

One Touch Trade has a special offer for its users to encourage them to invest more in the platform. Here's how it works:

- If a user brings in \$5000 worth of business directly, they'll unlock all 15 levels.
- If a user has \$5000 in their self-ID, all 15 levels will be unlocked at once for the user.
